April 6, 2005

Mr. Bradley D. Belt
Executive Director
Pension Benefit Guaranty Corporation
1200 K Street, NW
Washington, D.C. 20005

Dear Mr. Belt:

We write in our respective capacities as Chairman and Ranking Member of the U.S. House of Representatives Committee on Education and the Workforce to request that certain information relating to plan assets and liabilities of single-employer pension plans be transmitted to the Committee pursuant to 29 U.S.C. sec. 1310(c).

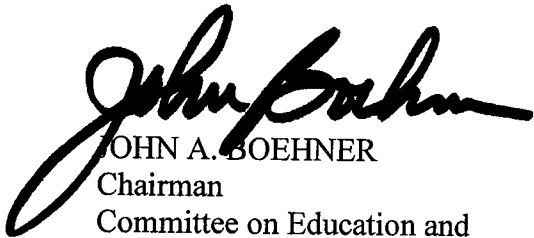

Specifically, we are requesting the Pension Benefit Guaranty Corporation ("PBGC") to transmit to the Committee two (2) copies of the information provided to the PBGC described in paragraphs (1) and (2) of section 4010.8 (a) of Title 29, Code of Federal Regulations, for each plan maintained by a contributing sponsor or any members of the contributing sponsor's controlled group for the most recent (2) filings if any of the plans maintained by the contributing sponsor or the contributing sponsor's controlled group is 75 percent funded or less (such ratio to be calculated with respect to paragraphs (1) and (2) of section 4010.8). The information provided should reflect the information filed with the PBGC pursuant to the regulation in effect as of this date, notwithstanding the amendment of the regulation published in the Federal Register on March 9, 2005.

We ask that this information be provided to the Committee no less than 10 business days upon receipt of this letter.

It is our intent, based on information previously provided by PBGC to our staffs, that this request will capture information for 849 plans filing 4010s in 2003 (and, presumably, a similar number for 2004). If this request does not accurately capture that universe of information, please advise us directly prior to the transmittal of any information, so that we may further tailor this request accordingly.

We thank you for your time and attention to this matter.

Sincerely,

JOHN A. BOEHNER
Chairman
Committee on Education and
the Workforce

GEORGE MILLER
Ranking Member
Committee on Education and
the Workforce
